2007 IEEE International Conference on Acoustics, Speech, and Signal Processing (ICASSP)

April 16 - 20, 2007
Hawai'i Convention Center
Honolulu, Hawaii, USA

The 32nd International Conference on Acoustics, Speech, and Signal Processing (ICASSP) will be held at the Hawai'i Convention Center in Honolulu, April 16 - 20, 2007. The ICASSP meeting is the world's largest and most comprehensive technical conference focused on signal processing and its applications. The conference will feature world-class speakers, tutorials, exhibits, and over 50 lecture and poster sessions on:

- Audio and electroacoustics
- Bio imaging and signal processing
- Design and implementation of signal processing systems
- Image and multidimensional signal processing
- Industry technology tracks
- Information forensics and security
- Machine learning for signal processing
- Multimedia signal processing
- Sensor array and multichannel systems
- Signal processing education
- Signal processing for communications
- Signal processing theory and methods
- Speech and language processing

Hawaii is an extraordinary place -- beautiful landscapes, picturesque white-sand beaches, lush green landscapes cut by spectacular gorges and valleys, a vibrant multi ethnic culture, and "Aloha" -- Hawaii's renowned spirit of hospitality. ICASSP 2007 is going to be held on Oahu (the "gathering place" in Hawaiian;) you and your entire family will be able to fully appreciate and enjoy this unique island. Oahu, the most developed of the islands, is the centerpiece of the Hawaiian archipelago -- home of famed Waikiki Beach, Diamond Head, and the city of Honolulu; here you will find museums, shopping, restaurants, and nightlife comparable to no other.

Submission of Papers: Prospective authors are invited to submit full-length, four-page papers, including figures and references, to the ICASSP Technical Committee. All ICASSP papers will be handled and reviewed electronically. The ICASSP 2007 website www.icassp2007.com will provide you with further details. Please note that the submission dates for papers are strict deadlines.

Tutorial and Special Session Proposals: Tutorials will be held on April 15 and 16, 2007. Brief proposals should be submitted by August 4, 2006, to Hideaki Sakai at tutorials@icassp2007.com and must include title, outline, contact information for the presenter, and a description of the tutorial and material to be distributed to participants. Special sessions proposals should be submitted by August 4, 2006, to Phil Chou at specialsessions@icassp2007.com and must include a topical title, rationale, session outline, contact information, and a list of invited papers. Tutorial and special session authors are referred to the ICASSP website for additional information regarding submissions.
